

**LONG ISLAND MACARTHUR AIRPORT
TOWN OF ISLIP
COMMUNITY PARTICIPATION PLAN (CPP)¹**

1. Administration

The purpose of this CPP is to ensure that stakeholders or communities affected² by **Long Island MacArthur Airport** projects or operations can be informed and participate and have their input thoughtfully considered in the key stages during airport planning efforts, regardless of their race, color, national origin, sex, sexual orientation, gender identity, creed, age, or disability (hereafter, the “protected bases”). This plan is provided in accordance with Title VI of the Civil Rights Act of 1964 (Title VI) and related authorities.³ This plan and associated reports regarding our CPP efforts will be communicated to the public in formats accessible to persons with disabilities and to limited English proficient (LEP) individuals.

The individuals primarily responsible for implementing the **Long Island MacArthur Airport** CPP are:

Responsible Official	Title, Office, and Responsibilities
1 Steve Siniski	Airport Administrative Supervisor
2	

Responsible officials’ contact information is shared with the public through the following methods:

In addition, Long Island MacArthur Airport will ensure that members of the public are advised of our nondiscrimination obligations. This includes how to file discrimination complaints with Long Island MacArthur Airport and the FAA. We will also conspicuously display the FAA-provided Unlawful Discrimination Posters at airport facilities. See Notice section of Long Island MacArthur Airport’s Title VI Plan.

2. Goals and Objectives

This CPP applies to all airport planning and decision-making efforts, whether or not directly supported by Federal assistance. This includes surveys, public meetings (e.g., airport commission meetings), and hearings, not only meetings for a project requiring an environmental impact statement (EIS) or environmental assessment (EA).

Long Island MacArthur Airport’s planning processes that lead to decisions for projects or operations or those of any sub-recipients are:

Planning Processes

1. Posting of upcoming projects/planning on the airport and town websites

2. Outreach via social media

3. Informational meetings at the airport

4.

5.

6.

Long Island MacArthur Airport seeks public input for the above processes through the following methods:

Public Input Methods	Planning Process(es) that use each Method
A. Going forward Master Plan Update	# 1,2,3
B.	#
C.	#
D.	#
E.	#

v.		a. b. c.
vi.		a. b. c.

⁶ “Affected communities” means any readily identifiable group impacted or potentially impacted by an airport project or operation, such as the community immediately surrounding a project or a community in the flight path.

⁷ Potential representatives include chamber of commerce, environmental advocacy groups, business leaders, and labor groups. These representatives should have a close association with the community, with particular emphasis on connection to racial and ethnic minority groups within the communities, including limited English proficient populations, as well as other constituencies historically underserved by transportation programs, such as low income populations, and others.

4. Effective Communication

Long Island MacArthur Airport will ensure that public engagement is effective, meaningful, and free of linguistic, economic, historical, and cultural barriers to participation. Every effort will be taken to ensure clear, plain, and effective communication with Affected Communities, including ensuring materials are in accessible formats for persons with disabilities and in languages other than English. See Limited English Proficiency (LEP) section of Long Island MacArthur Airport's Title VI Plan.

5. Communication Platforms

Diverse communication platforms will be utilized to effectively reach the broadest audience. We will use the following platforms to communicate project details, our nondiscrimination obligations, and points of contact for the public to share project or operational feedback with our office and the FAA.

Social Media, Monitors, and Other Communication Platforms

1 social media, and email broadcast and informational meetings at the airport.

6. Records

This section includes the procedures Long Island MacArthur Airport will follow to document outreach efforts. Records for steps taken to provide outreach to Affected Communities will be maintained in the following locations:

Website⁸, In-person, and Other Storage Methods

1. Airport Commissioner's Office

2

Records will be kept for community input. The records will document how Long Island MacArthur Airport considered, weighed, and incorporated input received. The records will include justifications for any decisions contrary to community feedback. The records will be stored in the following locations:

Website⁹, In-person, and Other Storage Methods

1. Airport Commissioner's Office

2

⁸ [If adding a website, include the relevant webpage location address]

⁹ [If adding a website, include the relevant webpage location address]

Records for demographics of participants will also be kept. Requested demographic information will include race, national origin, sexual orientation, gender identity, creed, age, disability, languages spoken, and community membership.¹⁰ Going forward demographic information will be requested by the following methods:

Demographic Information Collection Methods

1. Volunteer Sign in Sheets

2

CPP records will be made available to the public using the same methods for other information outlined within this plan.

7. Reporting Outcomes

Within 30 days of the end of each fiscal year (FY),¹¹ Long Island MacArthur Airport will create a CPP Report for the completed FY. The report will summarize efforts taken under this CPP in a narrative statement describing:

1. The specific steps taken to produce meaningful engagement with Affected Communities the completed FY,
2. The results of those efforts for the completed FY, and
3. How the Affected Communities' comments and views are or will be incorporated into the decision-making process.

The CPP Reports will be included with Long Island MacArthur Airport's Title VI Plan. If no current Title VI Plan exists, the CPP Reports will be added to its Title VI Assessment for each grant.

¹⁰ This information is solicited to demonstrate compliance with Title VI and related requirements. See 49 CFR § 21.9(b); 49 U.S.C. § 47123; 28 CFR § 42.406; and FAA Order 1400.11.

¹¹ The first report is required after the first complete fiscal year, after this plan is adopted. Information for activities during a partial year immediately following adoption of the plan will be included with the first full year's report.
